**Under sections**

- **22 of the *Oil and Gas Conservation Act (OGCA)*,**
- **27 of the *OGCA*,**
- **23 of the *Pipeline Act*, and**
- **140 and 241 of the *Environmental Protection and Enhancement Act (EPEA)***

**Tallahassee Exploration Inc.**

1900, 401 9<sup>th</sup> Avenue SW

Calgary, AB T2P 3H7

(Tallahassee, or the Licensee)

WHEREAS Tallahassee is the holder of Business Associate (BA) code A7HE, and holds licences granted by the Alberta Energy Regulator (AER) under the *OGCA* and *Pipeline Act* as listed in Appendix 1 (collectively, the Licences);

WHEREAS there is physical infrastructure associated with the Licences, including wells, well sites, facilities, facility sites, and pipelines (collectively, the Sites);

WHEREAS Tallahassee was licensed or otherwise authorized by the AER to operate the Sites on the lands as legally described in Appendix 1 (the Lands);

WHEREAS the Lands are specified land as defined in section 134(f) of *EPEA* and section 1(t) of the *Conservation and Reclamation Regulation*;

WHEREAS Tallahassee, in respect of the Lands, is an operator as defined in section 134(b) of *EPEA*;

WHEREAS on September 15, 2023, the AER issued an order (the September Order) to Tallahassee pursuant to sections 22, 26.2, and 27 of the *OGCA*, and section 22.1 of the *Pipeline Act*, due to concerns regarding Tallahassee's failure to provide reasonable care and measures to prevent impairment or damage in respect of the Sites;

WHEREAS on November 27, 2023, the AER rescinded the September Order and issued a new order (the November Order) under sections 22, 26.2, 27, 28, and 105 of the *OGCA*, and sections 22.1, 24, and 26 of

the *Pipeline Act* to Tallahassee and to the Orphan Well Association (the OWA) due to Tallahassee's failure to meet the requirements of the September Order to provide reasonable care and measures in respect of the Sites and resolve outstanding noncompliances;

WHEREAS, among other things, the November Order requires the OWA to provide reasonable care and measures to prevent impairment or damage in respect of the Sites until otherwise directed by the AER, and prohibits Tallahassee and its contractors from taking any actions, operating, or being present at the Sites without obtaining prior written approval from the OWA;

WHEREAS the November Order also required Tallahassee to submit third-party audited financial statements and a financial summary for fiscal year end 2022 by November 30, 2023; interim quarterly financial statements for fiscal year 2023 within 30 days from the date of the order; and future interim quarterly financial statements within 30 days of the end of the respective annual quarter;

WHEREAS on January 4, 2024, the AER issued a Failure to Comply letter to Tallahassee for failure to comply with the November Order, specifically citing Tallahassee's failure to provide audited financial statements and quarterly financial statements;

WHEREAS the AER held a pre-issuance meeting with Tallahassee on January 23, 2024, to discuss potential amendments to the November Order to include deadlines for Tallahassee to comply with certain requirements of the order;

WHEREAS the AER agreed to a deadline of January 31, 2024, for Tallahassee to provide submissions in support of any alternative deadlines it proposed;

WHEREAS on January 31, 2024, Tallahassee submitted materials proposing alternative deadlines and plans to resume operations at the Sites (the Plan);

WHEREAS the Plan proposed that:

- 1) by June 2024, Tallahassee would resume control of the Sites;
- 2) by the end of 2024, Tallahassee would reimburse the OWA for costs it incurred in providing reasonable care and measures to prevent impairment or damage in respect of the Sites under the November Order; and
- 3) by calendar year 2025, Tallahassee would come into compliance with the closure spend quota program for the years 2022, 2023, and 2024;

WHEREAS the AER reviewed the Plan and notified Tallahassee that the Plan was not satisfactory to the AER, because the proposed timelines for coming into compliance were unreasonable and the cash forecasts could not be analyzed and validated as Tallahassee had failed to provide audited financial statements to the AER;

WHEREAS on February 27, 2024, the AER held a pre-issuance meeting with Tallahassee to discuss a potential abandonment order the AER was considering;

WHEREAS the AER gave Tallahassee until March 4, 2024 to submit any materials or supporting documents that disputed the need for the potential Abandonment Order or propose any changes to the draft Order it thought were necessary or appropriate;

WHEREAS on March 4, 2024, Tallahassee requested an extension until April 15, 2024, to allow it to engage an investment firm to raise sufficient capital, as estimated by Tallahassee, for Tallahassee to provide reasonable care and measures;

WHEREAS on March 8, 2024, the AER issued a letter to Tallahassee granting an extension until April 19, 2024, to provide confirmation of funding, and to submit an acceptable custody transition plan and audited 2022 financial statements;

WHEREAS Tallahassee submitted a custody transition plan (Custody Transition Plan) on April 19, 2024 and the confirmation of funding on April 20, 2024 ;

WHEREAS Tallahassee provided a draft audited financial statement for 2022 on April 22, 2024, but did not provide a final copy approved by the financial auditor, as was required by the November Order;

WHEREAS the AER has reviewed Tallahassee's confirmation of funding, the Custody Transition Plan, and the draft audited financial statement for 2022 and determined that the information provided does not demonstrate that Tallahassee is capable of providing reasonable care and measures to prevent impairment or damage in respect of the Sites;

WHEREAS according to its confirmation of funding, the amount of capital Tallahassee has raised is insufficient to demonstrate that it is capable of providing reasonable care and measures to prevent impairment or damage in respect of the Sites;

WHEREAS on May 3, 2024, the AER issued a Failure to Comply letter to Tallahassee for failure to comply with the November Order, specifically citing Tallahassee's failure to complete the Abandonment Plan that Tallahassee had submitted under the September Order, as was required by the November Order;

WHEREAS the AER has not approved the Custody Transition Plan, as required by the November Order, due to concerns regarding Tallahassee's historical compliance performance, AER's lack of confidence in Tallahassee's operational capabilities based on the financial statement provided, and concerns about Tallahassee's ability to hire knowledgeable and willing field staff;

WHEREAS there is a risk of impairment or damage to the Sites if reasonable care and measures are not provided;

WHEREAS the impairment or damage could reasonably be expected to result in harm to the integrity of the Sites or harm to the environment, human health or safety or property;

WHEREAS Rob Borth, Senior Advisor, Technical Science & External Innovation (the Senior Advisor), has the authority to issue orders under the *OGCA*, *EPEA* and the *Pipeline Act*;

WHEREAS Tallahassee has failed to provide reasonable care and measures to prevent impairment or

damage in respect of the Sites and has failed to comply with the November Order;

WHEREAS based on the above, and having assessed the capability of Tallahassee to meet its regulatory and liability obligations throughout the energy development life cycle, the Senior Advisor is of the opinion that Tallahassee is unable to meet these obligations;

WHEREAS section 22 of the *OGCA* permits the AER to impose on a licensee any terms and conditions it considers appropriate where it has reasonable grounds to believe the holder of the licence has contravened any act or regulation under the jurisdiction of the AER;

WHEREAS section 27 of the *OGCA* permits the AER to order a licensee to abandon a well or facility where the AER considers that it is necessary to do so in order to protect the public or the environment;

WHEREAS section 23 of the *Pipeline Act* permits the AER to order that a pipeline be discontinued or abandoned where the AER considers it necessary to do so in order to protect the public or the environment;

WHEREAS the Senior Advisor considers it necessary, to protect the public and the environment, to issue an order directing Tallahassee to abandon the Sites;

WHEREAS section 137 of *EPEA* states that an operator must conserve and reclaim specified land, and unless exempted by the regulations, obtain a reclamation certificate in respect of the conservation and reclamation;

WHEREAS reclamation certificates have not been issued for the Lands under section 138 of *EPEA*;

WHEREAS section 140 of *EPEA* permits the AER to issue an environmental protection order directing the performance of any work if the AER is of the opinion the work is necessary to conserve and reclaim specified land;

WHEREAS the Senior Advisor is of the opinion that the performance of the work described in this Order is necessary to conserve and reclaim the Lands;

Therefore, I, Rob Borth, Senior Advisor, Technical Science and External Innovation, under sections 22 and 27 of the *OGCA*, section 23 of the *Pipeline Act*, and sections 140 and 241 of *EPEA*, do hereby order the following:

### **Abandonment**

1. Tallahassee shall abandon the Sites, listed in appendix 1, within **sixty (60) calendar days** of the date of this Order.
2. Abandonment work, including surface abandonment and removal of cement pads, debris and produced liquids associated with the wells, must be completed in accordance with AER requirements.

## Reclamation

3. **Within thirty (30) calendar days** of the date of this Order, Tallahassee shall submit a Reclamation Plan for AER approval for the conservation and reclamation of the Lands.
4. The Reclamation Plan shall include the actions Tallahassee will take to reclaim the Lands and obtain reclamation certificates as required by section 137 of the *EPEA*. The Reclamation Plan shall include:
  - a. A list of all actions to be taken in obtaining a reclamation certificate (examples: Environmental Site Assessments, Detailed Site Assessments, Reclamation Certificate application submission to AER); and
  - b. A schedule of implementation for each step in the Reclamation Plan.
5. If any changes occur to the Reclamation Plan, Tallahassee must immediately inform the AER in writing.
6. Tallahassee must implement the Reclamation Plan, as approved by the AER. The AER will advise Tallahassee if the Reclamation Plan is complete or requires changes. Tallahassee will be required to submit any outstanding elements to the AER, or provide additional information to the AER, until the AER advises that the Reclamation Plan is complete.
7. Tallahassee shall apply for a reclamation certificate for each of the Sites once that site is fully reclaimed in accordance with section 137(2) of the *EPEA*.

## Reporting

8. Tallahassee shall submit to the Senior Advisor a weekly report summarizing actions and progress in abandoning the Sites, the weekly report shall be sent to [complianceassurance@aer.ca](mailto:complianceassurance@aer.ca).

## General

9. As required by the November Order, Tallahassee and any contractors must obtain written approval from the OWA before accessing and taking any actions at the Sites.
10. Tallahassee is not permitted to sell or remove any equipment or other infrastructure associated with the Sites unless there is written approval from the OWA.
11. All submissions related to the completion of abandonment or reclamation must be submitted in the format and to the appropriate AER system, as required by AER regulations. All submissions required in this Order shall be sent to [complianceassurance@aer.ca](mailto:complianceassurance@aer.ca).
12. If requested by the Senior Advisor, Tallahassee shall submit, within **two (2) business days**, any records pertaining to this Order.

13. Where a deadline or reporting frequency has been specified in this Order, the AER may authorize in writing a different deadline or reporting frequency as applicable.
14. In carrying out the requirements of this Order, Tallahassee shall obtain and comply with all required federal, provincial, or municipal permits and governing legislation and provide to the AER all authorizations obtained upon request by the AER.
15. All applicable regulatory requirements are to be followed and complied with in the undertaking of any actions or direction prescribed under this Order.

Dated at the City of Edmonton in the Province of Alberta, the 5<sup>th</sup> day of June, 2024.

<original signed by>

Rob Borth  
Senior Advisor, Technical Science & External Innovation  
Alberta Energy Regulator

In complying with this order, the party or parties named must obtain all approvals necessary, notwithstanding the above requirements.

This order in no way precludes any enforcement actions being taken regarding this matter under the *OGCA*, *EPEA* or *Pipeline Act* or any other provincial or federal legislation, or by any other regulator with jurisdiction.

All enforcement actions issued by the AER may be subject to a follow-up review to confirm previous commitments have been completed and measures have been implemented, to ensure similar noncompliances are prevented in the future. The AER may request any information that demonstrates steps have been taken to prevent repeat noncompliances from occurring.

Under the *Responsible Energy Development Act*, an eligible person may appeal decisions that meet certain criteria. Eligible persons and appealable decisions are defined in section 36 of the *Responsible Energy Development Act* and section 3.1 of the *Responsible Energy Development Act General Regulation*. If you wish to file a request for regulatory appeal, you must submit your request according to the AER's requirements. You can find filing requirements and forms on the AER website, [www.aer.ca](http://www.aer.ca), under Regulating Development: Project Application: Regulatory Appeal Process.
