WHEREAS there is physical infrastructure associated with the Licences, including wells, well sites, facilities, facility sites, and pipelines (the Sites) and whereas Sumerian is the operator of the Sites;

Noncompliances

WHEREAS Sumerian has failed to pay the 2026 AER Administration Fee and Orphan Fund Levy (the 2026 AER Fees), as required under section 2(1) of the *Alberta Energy Regulator Administration Fees Rules*, and 74(1) of the *OGCA*;

WHEREAS Sumerian has failed to meet the Licensee Quota (LQ) for 2025 as required under section 3.014(2) of the *OGCR*, and has not provided a security deposit as required under section 1.120(d) of the *OGCR*;

Pertinent Regulatory History

WHEREAS on April 16, 2026, the AER issued a notice of noncompliance to Sumerian for failing to meet the 2025 LQ and Sumerian was given a deadline of May 16, 2026, to update its OneStop reporting or to pay the baseline security deposit for the closure spending deficit;

WHEREAS on April 22, 2026, the AER issued an order to Sumerian under sections 22 and 26.2 of the *OGCA*, sections 1.120 and 3.012 of the *OGCR*, and section 22.1 of the *Pipeline Act* (the April Order);

WHEREAS the April Order required Sumerian to, among other things, to pay a security deposit for the missed 2025 LQ in accordance with *Directive 068: Security Deposits*, in the amount of \$445,368.77 prior to May 16, 2026 (the Closure Quota Security);

WHEREAS on May 20, 2026, the AER sent a letter by email advising Sumerian that it had failed to comply with several requirements in the April Order, including Clause 6, which required payment of the outstanding Closure Quota Security;

WHEREAS on May 25, 2026, the AER met with Sumerian to discuss AER concerns, including the 2026 AER Fees and the Closure Quota Security, with Sumerian indicating it preferred to conduct closure work to reduce its liability. Sumerian was advised that the Closure Quota Security was a requirement, and the AER would consider a payment plan;

WHEREAS in the May 25, 2026, meeting, Sumerian indicated the funds for the 2026 AER Fees would be released by the end of that week, and it would update the AER on May 28, 2026;

WHEREAS on May 26, 2026, the AER sent an email with notes from the above meeting, including a summary of actions which stated: “Sumerian will submit an update on closure quotas, a payment plan, or full payment by Friday” and “Sumerian will release funds for the levy obligations by Friday,” with a deadline of May 29, 2026, for a response;

WHEREAS Sumerian did not respond to the email of May 26, 2026, and did not update the AER on payment of the Closure Quota Security or 2026 AER Fees;

WHEREAS on June 1, 2026, the AER sent an email to Sumerian restating that Sumerian remained noncompliant with the 2026 AER Fees and the Closure Quota Security, noted Sumerian had failed to update the AER, and stated the AER was considering suspending Sumerian’s operations for failure to comply with the April Order;

WHEREAS on June 1, 2026, Sumerian responded by email regarding requirements in the April Order, including a request for an extension and a payment plan regarding the Closure Quota Security. Sumerian proposed seven equal installments of \$63,624.11, commencing on June 25, 2026, and continuing on the 25th of each month through December 25, 2026;

WHEREAS in the above June 1, 2026, response regarding the 2026 AER Fees, Sumerian stated the funds would be released by Friday (June 5, 2026);

WHEREAS the AER responded to the request by email on June 2, 2026, and provided information regarding security payments and reiterating the commitments made by Sumerian regarding the Closure Quota Security and the 2026 AER Fees;

WHEREAS on June 8, 2026, the AER sent an email to Sumerian confirming the amount of the Closure Quota Security and asking for confirmation of payment of the 2026 AER Fees, and Sumerian responded by email that same day, stating: “We just received the funds and will be sending out”;

WHEREAS on June 9, 2026, the AER sent an email to Sumerian in response to questions about an invoice, clarifying the amount of the 2026 AER Fees and again requesting confirmation that payment had been made;

WHEREAS on June 10, 2026, the AER sent an email to Sumerian, asking it to advise whether the 2026 AER Fees were paid online or by cheque, and Sumerian responded on June 11, 2026, stating three payments were issued “via eft”;

WHEREAS on June 17, 2026, the AER met with Sumerian to discuss Sumerian’s regulatory obligations including the failure to pay the 2026 AER Fees, and the AER reaffirmed that the AER’s willingness to accept a payment plan for the Closure Quota Security was contingent on payment of the 2026 AER Fees, and communicated the payment plan requirements by email following the meeting;

WHEREAS in the June 17, 2026, meeting, Sumerian advised the AER that the 2026 AER Fees had been paid, and the AER requested proof of payment by 4:00 p.m. that day, advising Sumerian that failure to demonstrate compliance with the 2026 AER Fees would likely result in the AER requiring full payment of the Closure Quota Security;

WHEREAS the AER sent an email to Sumerian following the June 17, 2026, meeting to clearly provide the AER’s immediate expectations, which included a written reminder that acceptance of the Closure Quota Security payment plan was based on payment of the 2026 AER Fees, and if proof of payment was not received by 4:00 p.m. that day, the AER would consider no longer accepting the security payments in installments;

WHEREAS on June 18, 2026, the AER sent an email to Sumerian, stating that as Sumerian had not provided proof of payment for the 2026 AER Fees, the AER would no longer accept Sumerian’s payment plan for the Closure Quota Security, and should Sumerian fail to comply with the April Order by June 25, 2026, the AER was considering escalating to suspension of all Sumerian’s wells, facilities and pipelines;

WHEREAS on July 15, 2026, the AER and Sumerian met to discuss the draft Order and hear any information Sumerian wished to provide before making a decision (the July Meeting);

WHEREAS at the July Meeting the AER offered a payment plan for Sumerian to meet the 2025 Licensee Quota as proposed by the Licensee on June 1, 2026, and the AER indicated that approval of the payment plan was contingent on payment of the 2026 AER Fees by 4:00 pm on July 16, 2026. After the meeting, the AER emailed Sumerian to reiterate that the payment plan remains an alternative option for complying with the Closure Quota Security;

WHEREAS, by 4:00 pm on July 16, 2026, the AER did not receive payment of the 2026 AER Fees, and to date, AER records show that Sumerian has not paid the 2026 AER Fees, has not paid the Closure Quota Security, and has not communicated with the AER regarding these payments;

Director’s Assessment

WHEREAS Tyler Callicott, Director, Enforcement & Orphaning (the Director), has the authority to issue orders under the *OGCA*, the *OGCR* and the *Pipeline Rules*;

WHEREAS the Director is of the opinion that Sumerian has contravened rules and regulations under the jurisdiction of the AER due to its failure to pay the 2026 AER Fees, and it is appropriate to impose terms

and conditions to address those contraventions;

WHEREAS the Director is of the opinion that Sumerian has failed to pay the Closure Quota Security as required under section 4.1(3) of *Directive 088: Licensee Life-Cycle Management* and as required under the April Order, and it is appropriate to suspend Sumerian's operations until the Closure Quota Security is paid;

Therefore, I, Tyler Callicott, Director, Enforcement & Orphaning, under section 22 of the *OGCA*, section 1.220 of the *OGCR*, and section 71(2) of the *Pipeline Rules* do hereby order the following:

Suspension of Operations

1. **No later than fourteen (14) calendar days** from the date of this Order, Sumerian must suspend all operations as follows:
 - a. All wells and facilities listed in Appendix 1 shall be suspended in a manner acceptable to the AER following safe industry practices,
 - b. At a minimum, all wells and facilities must be shut-in and secured, and Sumerian must verify there are no leaks.
2. Sumerian must manage pipelines that are not in active flowing service in accordance with Sumerian's Integrity Management Program.
3. Any containment devices or equipment, including but not limited to, tanks, vessels, lease piping, sumps, drains, tubs, containers, pits, or containment rings on any of the Sites must be depressurized, emptied (with all fluids removed from the Sites and disposed of in a manner acceptable to the AER) and rendered safe in a manner acceptable to the AER.
4. Sumerian must confirm in writing to the Director that the above suspensions have occurred, and all containment devices have been emptied.

Reactivation Terms and Other Conditions

5. **Operations are suspended unless the following conditions are met:**
 - a) Sumerian pays the \$445,368.77 Closure Quota Security owing.
 - b) Sumerian submits a Reactivation Plan to the satisfaction of the Director that includes at a minimum:
 - i. Verification of the integrity of Sumerian's wells and pipelines,
 - ii. Detailed actions and timelines of the completion of activities to safely reactivate the Sites, and
 - iii. Detailed actions and timelines to address all noncompliances.

6. The Reactivation Plan must be implemented to the satisfaction of the Director.
7. Sumerian must pay the 2026 AER fees, including the penalties, totalling \$340,195.24 by July 25th, 2026.
8. Nothing in requirement 5 (a) or 7 constitutes an extension of the already-passed deadlines to pay, nor does anything in this requirement constitute a new decision on when each amount was due, but rather the deadlines set out in this section are an escalation arising from the Sumerian's failure to pay overdue Closure Quota Security and the 2026 AER Fees.

General Terms and Reporting

9. Unless otherwise indicated, all information required in this Order should be submitted to ComplianceAssurance@aer.ca and to the Director at Tyler.Callicott@aer.ca.
10. All submissions required in complying with this Order must be made in the format and to the applicable AER system, as required by AER regulations or the Director.
11. Where a deadline or reporting frequency has been specified in this Order, the Director may authorize in writing a different deadline or frequency as applicable. Request for extensions to deadlines must be made in writing to the Director prior to the deadline.
12. If requested by the Director, Sumerian shall submit, within **two (2) business days**, any records or information pertaining to this Order.
13. In carrying out the requirements of this Order, Sumerian shall obtain and comply with all required federal, provincial, or municipal permits and governing legislation and provide to the AER all authorizations obtained upon request by the AER.
14. All applicable regulatory requirements are to be followed and complied with in the undertaking of any actions or directions prescribed in this Order.
15. Failure by Sumerian to fulfill the requirements in this Order to the satisfaction of the Director may result in a further enforcement response. If the Closure Quota Security and 2026 AER Fees are not paid within thirty (30) days, the AER may escalate, including suspension of Sumerian's licences and ordering abandonment of the Sites.

Dated at the City of Edmonton in the Province of Alberta, the 20th day of July 2026.
