Investigation File 2019-053 Closed - No Enforcement

Pipeline failure and release of a substance

Dear Mr. Neumann:

This letter is to advise you of the conclusion of an investigation undertaken by the Alberta Energy Regulator (AER) in response to a pipeline failure and release reported to the AER on August 15, 2019.

This investigation related to the failure of a pipeline located at 12-33-046-07W5 about 11 kilometers north from the hamlet of Alder Flats, Alberta.

The AER is closing the file at this time, and no enforcement action will be taken related to this investigation. Future contraventions of a similar nature may be subject to an investigation that may result in enforcement action.

If you have any questions, please contact Greg Jones at greg.jones@aer.ca or by phone at xxx-xxx-xxxx.

Sincerely,
