**Investigation File 2023-085 Closed - No Enforcement
Contravention of a condition of an approval**

Dear Mr. Long:

This letter is to advise you of the conclusion of an investigation undertaken by the Alberta Energy Regulator (AER) in response to possible contraventions of the *Environmental Protection and Enhancement Act* on December 6, 2023, and January 5, 2024.

The investigation relates to Imperial Oil Resources Limited potentially contravening a term or condition of an approval for failing to conduct Wildlife Sweeps as per the Wildlife Sweeps Protocol and Master Schedule of Standards and Conditions at 05-03-097-07W4M and 03-01-096-08W4M, near Fort McKay Alberta.

The AER is closing the file at this time, and no enforcement action will be taken related to this investigation. Future contraventions of a similar nature may be subject to an investigation that may result in enforcement action.

The status of this file will be posted to the AER's external website, under the [Compliance Dashboard](#).

If you have any questions, please contact me at greg.jones@aer.ca or by phone at XXX-XXX-XXXX.

Sincerely,
