# Completing OneStop Renewal Overview Screen

Intended User: Public Land applicants

Overview – Renewal Overview Screen

This quick reference guide (QRG) describes how to complete the Renewal Overview screen. The Renewal Overview screen applies to renewal applications for all formal disposition types.

By getting here you have already selected an authorization to renew on the Authorization Information screen.

## Getting to the Renewal Overview Screen

There are two ways to reach to the Renewal Overview screen after initiating a renewal:

Click **Renewal** in the left navigation bar.

or

From the **General – Authorization Information Details** screen, click **Next** at the lower left corner of the screen after selecting an authorization to renew.

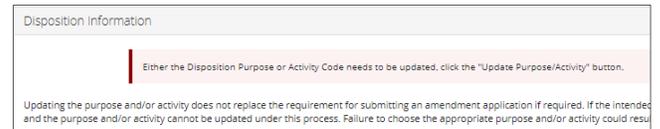

Disposition Information

Disposition information displays for the disposition selected for renewal.

If the disposition's purpose and activity is outdated, a message banner will appear prompting you to update it.

1. **Mandatory:** Select the **check box** beside the dispostion you wish to update.

2. **Mandatory**: Click **Update Purpose/Activity**.

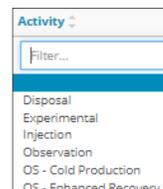

The Disposition Purpose/Activity Update window opens.

3. Select the **Purpose** from the drop-down menu.

4. Select the **Activity** from the drop-down menu.

5. Select **Close** to close the window without saving your update, or click **Save** to update your disposition's purpose and activity.

> **Important:**
>
> You cannot proceed with the renewal without first updating your disposition's purpose and activity.
>
> Once the purpose and activity have been saved, only the activity can be modified, not the purpose. Ensure your purpose selection is accurate before saving.

Plan Information

If the Update Plan Type button appears in the Plan Information pane, update your plan first before continuing on.

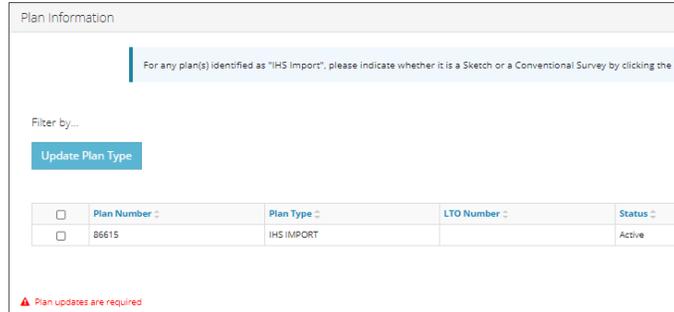

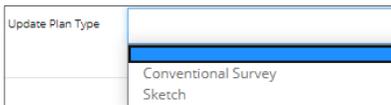

1. **Mandatory**: Select the **check box** beside the plan you wish to update.

2. **Mandatory**: Click **Update Plan Type**.

   The Plan Type Update window opens.

3. Select the **Updated Plan Type** from the drop-down menu.

4. Select **Close** to close the window without saving your update, or **Save** to update your plan type in the Plan Information table.

> **Important:**
>
> IHS plan types need to be updated in OneStop to reflect whether they are a sketch or survey.
>
> Once the plan type has been updated and saved, it cannot be changed. Ensure your plan type selection is accurate before saving.
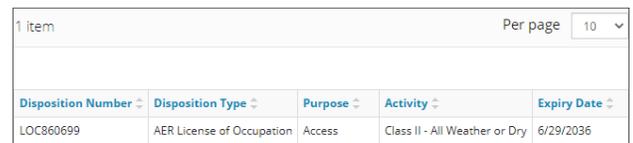

Filtering Results

1. Filter results by any column field. Click **Show** on the right side of the pane.

2. Enter the value in any column to filter, or select the appropriate options from the drop-down menus. Click **Apply Filters.**
   Filtered results are displayed.

3. Click **Clear Filters** on the right side of the pane to remove your selection.
